

Spiritual Counselling and Guidance

Looking to live a life of meaning and purpose?
Not sure what that might mean for you?

Gabrielle has been on a significant spiritual journey to arrive at this place in time feeling complete and whole, and is passionate about assisting others who are looking for more passion, joy, meaning and purpose in their life...

Her book *Living the Light: Discovering Truth and Living in Spirit*, outlines what she has learnt along the way, and can inspire you to Live Your Best Life.

If you feel a desire to re-connect with self, meaning and purpose, contact Gabrielle.

Inspiration comes from within... it's what the light burning within you is all about, as opposed to motivation, which is doing it because if you don't, there will be negative repercussions.
